MESSAGE FROM DIRECTOR OF MAIN ROADS

I am very pleased to welcome the Country Roads Board players and supporters to Hobart on this auspicious occasion of the 21st year of sporting competitions between the two Road Authorities.

Whilst the original aims of these interstate visits were of a sporting and social nature, it is true to say that many officers of the Department have found the personal contacts and exchange of views on technical matters which have developed over the years to be of considerable assistance to them in their Departmental activities. Many friendships of long standing have also developed from these visits.

I hope that these annual events will continue for many years and that our Victorian visitors will take back with them many happy memories of the 1982 visit to Tasmania.

(G. E. C. McKercher)
DIRECTOR OF MAIN ROADS.

MESSAGE FROM CHAIRMAN, COUNTRY ROADS BOARD

The annual sporting contests between the Department of Main Roads and the Country Roads Board have been beneficial in many ways, not only to the participants, but to the two organisations generally.

It is a credit to the people involved in the organisation of the sporting events that visits have been conducted each year since the Board's first cricket and tennis teams travelled to Ulverstone in February 1962.

The winning of the sporting contests is not the important part of the visits. The real benefits are the goodwill and fellowship created as a result of the participation in the sporting activities, and the resultant assistance in the pursuit of the official objectives of the two road organisations.

I heartily support the hope expressed by Mr. Glen Mc Kercher that these annual events will continue for many years.

(T. H. Russell)
CHAIRMAN, COUNTRY ROADS BOARD

LETS START AT THE VERY BEGINNING

During a visit to Melbourne during February 1961, for the 5th test against the West Indies, two Tassie cricket enthusiasts, Harley Brooks of Ulverstone and Keith Hannan of Hobart, had discussions about a cricket match between the Tasmanian PWD (now DMR) and the Victorian Country Roads Board. As a result, a phone call was made to the CRB Head Office in Kew. The call was connected to a Mr. Bell, an official of the Social Club, who showed enthusiasm about the match taking place.

Upon return to Tasmania it was arranged for a letter to be forwarded to the CRB and eventually the first match was planned to be played at Ulverstone in Tasmania with the blessings of the then Director of Public Works, Mr. R. C. Sharp, and the Chairman of the Country Roads Board, Mr. D. V. Darwin. It was also arranged for tennis competitions to be played, with teams consisting of 4 men and 2 ladies.

The Tasmanian State Association was not in existence at that time so all arrangements for the games and social activities were carried out by officials from the Hobart and Ulverstone Sports and Social Clubs. They were Eric Free, Secretary, Keith Hannan, Treasurer, of Hobart, Len Pearce, President, Mel Good, Secretary, Jack Thompson, Dick Gadsby, Ross Glover, George Wilson and Dave Snare, Committeemen of Ulverstone.

The selectors for the cricket team were Len Pearce, Keith Hannan and Bob Cash of Launceston. Bob assisted greatly in the presentation of the team and the organisation of the match. Mr. L. Baily was District Engineer at Ulverstone in 1962 and, with his wife Lois, gave great support to the various functions held during the competitions.

The CRB party travelled to Devonport on Tuesday, 13th February, 1962 on the Princess of Tasmania (Bass Strait Ferry). The matches were played at Ulverstone on Wednesday and Thursday, 14th and 15th February. CRB won both contests easily.

Cricket scores were: CRB 267 - DMR 165
CRB won by 102 runs on the 1st Innings.

Players who performed well were:-

CRB - Bill Saggars 93, Peter Hosking 65, Jim Webber 33,
Max Palmer 29, Geoff Brown 2/11, Noel Allanson 2/11,
Graeme Deany 2/13, Peter Hosking 2/21.

DMR - Doug White 53, Len Pearce 28, Les Wootten 5/56,
Len Pearce 2/60, Ron Young 1/65.

Several tennis scores were:-

Jack Deeth was the only DMR winner, defeating John Hanks 8-6, 6-0
CRB winners were -

David Reed d. K. Lickiss 3-6, 6-3, 6-1
Geoff Bray/David Reed d. Jack Deeth/K. Lickiss 6-4, 7-5
John Hanks/Merv Williams d. Peter Forrest/Max Watson 6-1, 6-1.

Ladies: Miss Gayl Crawford d. Mrs. Bayles 6-0, 6-2
Miss Jan ~~Kinner~~ d. Mrs. C. Best 6-0, 6-2

Kenner

The Official Dinner was held at Stones Hotel, Ulverstone on Wednesday, 14th February, 1962, with the Toast Master being the then PWD Plant Engineer - Mr. M. R. Read.

The next matches were played in Melbourne in 1963 and have been played alternately in Tasmania and Melbourne on an annual basis ever since. Golf replaced tennis in the competitions in 1967.

Several members of both the 1962 cricket teams deserve special mention. For the CRB the Captain was Noel Allanson, a well known Essendon cricketer and footballer. Noel is currently a Board Member of the Country Roads Board and never fails to meet members of the DMR party when they visit Melbourne. Graeme Deany is the only Victorian from that match who played in 1981. Max Palmer was a stalwart until he transferred to Hong Kong. Jim Webber and Bill Saggors were great competitors over a number of years. The CRB umpire, Les Holt, was a very popular person with both parties and officiated for many years. Of the Tasmanians, Bob Peters and Trevor Quilliam continued playing through to 1981, although not continuously. Doug White has given 21 years of sterling service as player, selector and manager. Les Wootten, Len Pearce (Captain) and John Oxley performed with distinction for many years.

THE TROPHY DONORS

F. F. FORD - MEMORIAL SHIELD FOR CRICKET

Mr. "Pat" Ford was well known throughout the State of Tasmania as Chief Engineer of the then Department of Public Works during the period 1954-64. Pat was a great supporter of sport and social activities within the three districts and until his retirement he always enjoyed attending the interstate competitions. There was always a card game arranged between the big betters of the teams and Pat enjoyed these immensely.

F. N. LAKIN - CUP FOR TENNIS

Mr. Fred Lakin was the donor of the trophy for tennis competition which unfortunately lasted for only five years. Fred has given great support and encouragement to the organisation of the competitions throughout the 21 years. It would be true to say that without Fred's backing the Sports and Social Clubs within the Department of Main Roads would not be as strong and active as they are at present. This has had a considerable influence on the success of the CRB/DMR sporting competitions.

F. WEST - TROPHY FOR GOLF

Mr. Frank West donated a trophy for golf competition when tennis ceased to be played. Frank was a Board Member of the Country Roads Board during the period 1963-68. He was also a keen golfer and his wisdom in sponsoring golf competition between the two bodies has been justified by the keenness of the matches played and the number of sincere friendships that have emerged during the last 14 years.

THE BOAT RACE

This event has been conducted over a number of years unofficially, but at last a trophy has been provided for competition between the two States. The DMR were successful in the first official contest in Melbourne in 1981. The rules of the competition are complex and therefore it is recommended that the race be seen live.

MESSAGE FROM STATE PRESIDENT

On behalf of the State Association it gives me much pleasure to extend a hearty welcome to our Victorian visitors.

Twenty years have now elapsed since the first visit to Ulverstone of cricketers and tennis players from the Country Roads Board and I think it is most appropriate that full recognition should be made of the contributions of successive players, and especially the Committees of the three District Clubs whose membership is drawn from all sections of the Department, both staff and field employees. Without their enthusiasm and personal efforts the functioning of the Clubs, and hence the intrastate and interstate visits, would not be possible.

In each of the three Clubs many individuals have served over 10 years on Committees and there are several cases of even longer service.

The Sports and Social Clubs have therefore provided a facility for all employees and staff to get together, both in sport and socially, and have therefore made a valuable contribution to the promotion of good relations within the Department.

I consider it a great privilege to have been associated with the Clubs since their inception and I trust that these interstate competitions will continue to be held.

In conclusion, I hope that our Victorian visitors will take back many happy memories of this Tasmanian visit and we look forward to meeting them again in the future.

Fred Lakin.
