

Richard Hastings

Richard Hastings started to work at the CRB in 1982. He continued with the RCA from 1983 to 1989 and then it became VicRoads which he left in 1994. He worked in the following areas.

1994	Development of applications, standards and methodology
1993	Test Leader for the implementation of Lotus Notes R3
1991-93	Analyst programmer
1990-91	Computer support officer for Corporate Development division
1989-90	IT Help Desk
1988-99	IT PC Support
1986-88	Computer Operator (Mainframe)
1982-86	Clerical Assistant/Printer operator

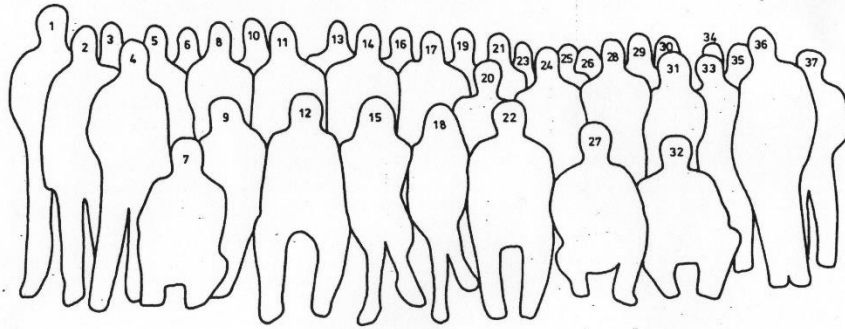

After he left Vicroads in 1994 he started his own consulting company and produced workflow applications for various government and private businesses including Ansett. In 2001 he joined the Department of Infrastructure as an IT manager. The IT Division became CenITex in 2008 where he became the Group Manager of Workplace & Business Application Services. In 2017 he joined HealthShare Victoria as IT Operations Manager and is now Head of IT Service Management.

Richard Hastings celebrated his 21st birthday on 22 March 1985. Several members of Bridge Design drafting team were invited and had an enjoyable evening listening to Richard's heavy metal group "The Band".

1985 – Print room at Bridge division. Includes dyeline printer for all the plans.
