Attendance at conferences

1. Country Roads Board’s Annual Divisional Engineers Conference
2. Annual Municipal Engineers Conference hosted by the Country Roads Board
3. Australian Roads Research Board ARRB. I represented the CRB at several State Conferences at various capital city locations.
4. In 1982 (I think the date is correct) I was a CRB Representative at a Roads Board Conference in New Zealand.
I presented a joint paper with an engineer from the Snowy Mountains Hydroelectric Authority on Road Construction and Snow Clearing in the Australian Alps.

With regards to items 1 & 2 above I presented several papers on various matters during the 16 years I was a Divisional Engineer (1970 to 1986).
