
VicRoads Communications Directory – December 1996

Attached is an update to the Communications Directory.

To update your Communications Directory

Remove all pages and replace with this new update.

You are also being provided with a new Communications Directory cover and spine to reflect the new corporate design.

Any changes or corrections should be organised through your Business Services Manager.

There will be one update per year.

This Directory will also be available through VicRoads Bookshop. Fax, or mail your requests to:

VicRoads Bookshop
Ground Floor
60 Denmark Street, KEW
Fax: (03) 9854 2468

Or send a Lotus Note to 'Bookshop'.

How to keep the Directory up to date

This Communications Directory is produced from the Lotus Notes Internal Directory. If you notice any errors, please advise your Business Services Manager to have them corrected.

If you are moving to a new position or location, you should complete a Staff Movement Advice form in Lotus Notes, or ask your Business Services Manager to do so if you are not on Notes) and forward it to your Business Services Manager for approval.

To complete a Staff Movement Advice:

- > In Lotus Notes Mail
- > Click on Compose
- > Click on 8. Staff Movement Advice
- > Complete the details required
- > Submit (*This will then be automatically forwarded on to your new Business Services Manager*)

Ongoing Maintenance of this Directory

Business Services Managers will attempt to ensure that Lotus Notes Internal Directory entries for staff in their business areas are current and correct, and from that we will have an accurate Communications Directory.

First Aid procedures

All staff are reminded that a First Aid Officer and First Aid Kits are located on each floor, and staff should use this facility whenever appropriate.

Emergency procedures

In event of a serious emergency

1. Call an AMBULANCE immediately.
Phone 0 for outside line then 000.
2. Contact the nearest First Aid Officer (see pages 31-34)

AMBULANCE Dial 0 for outside line then 000.

- Give clear instructions where to go and a brief explanation of the problem.
- Arrange for somebody to meet and guide the Ambulance Officers.

In event of other less serious cases arrange for the following to be called immediately:

1. Floor First Aid Officer (see pages 32-33)

If unavailable immediately contact the switch (dial 9) who will page the appropriate staff.

Minor cases contact the floor First Aid Officer (see pages 32-33)

BASIC FIRST AID PROCEDURES ARE SET OUT ON PAGE 31
